TO THE  
2ND ANNUAL  
GEOSPATIAL  
CURLING &  
NETWORKING  
EVENT

## Joint Networking Event MN GIS/LIS, ASPRS, MSPS, CALSA

Geospatial professionals get your four person teams together for a night of networking, curling and all-around fun! If you've never curled before this is a great opportunity to give it a try. Just bring a pair of athletic shoes and comfortable clothing. Curling is played on the ice so cool weather layering is a good idea- it's fairly cool in the ice arena but you will get warm playing!

Space is limited so register ASAP by emailing [colin.lee@state.mn.us](mailto:colin.lee@state.mn.us)
