

MARCH 18

GEOSPATIAL CURLING AND NETWORKING EVENT

Brought to you by - MN GIS/LIS, ASPRS WGL & MSPS

Geospatial professionals get your four person teams together for an afternoon of networking, curling and all-around fun! If you've never curled before this is a great opportunity to give it a try. Just bring and a pair of athletic shoes and comfortable clothing. Curling is played on the ice so cool weather layering is a good idea- it's fairly cool in the ice arena but you will get warm playing! **Please RVSP so we can plan for food accordingly.**

**March 18, 10:00am-1pm
at the Frogtown Curling
Club**

**\$40 per person Food
provided BYOB**

**All proceeds go to
scholarship fund**

**Instruction and
Equipment Provided**

**Want to network but
don't want to curl?
Please join us and
consider giving a
donation to your
organization's**

**FROGTOWN CURLING
CLUB**

**743 Western Avenue North,
Saint Paul, MN 55103**
